## Word to parents

Greetings !

In this academic session we will work closely to ensure that all children make excellent progress within curricular and co-curricular activities. We believe in working as a team in coordination with all stakeholders in order to achieve the school vision and objectives. We look forward to a strong and respectful partnership to continue the trend of excellence.

With this motto in mind, we urge all parents to have high expectations of themselves and treat one another with dignity and respect at all times. We rely on the parents to show willingness to follow the school policies and procedures. We thank you for your continuous support and trust.

We are happy to share this booklet with you and hope it acts as a bridge between the school and parents.

Principal  
Mr. Nikhil Tukdeo
