

SOS raise voice to Save the Rivers

This Initiative was organized under the 'Nadi Swachhta Abhiyan'

School of Scholars, Gadchiroli has undertaken a noble activity of Clean River Mission in the Kathani River on 2nd September 2019 on occasion of 'Gauri Visarjan.' Students of std. IX and X were participated along with the Principal, teachers and non-teaching staff. It was started at 6:00 am. Students collected gauri at one place and handed over to the Municipal Council for making manure.

This innovative idea was organized to create awareness regarding Clean River Mission. At the present time, rivers in India are being polluted due to immersion of many things into the rivers which will leave the lasting impact on the nature. Therefore these type of activities and programmes are essential to carry on in various places to protect our rivers which is our life. This activity was a landmark to protect and clean the rivers for ecological balance. SOS is the only school in Gadchiroli to raise the voice to save the rivers from pollution and always work for the betterment of the society.

Officials of Municipal Council, govt. departments and many parents, Principal Mr. Nikhil Tukdeo, Scout Guide teachers, Mr. Sharmish wasnik, Jitendra Gawhare, Mrs. Vaishali Lad, Mrs, Abhilasha Chaudhary were prominently present on this occasion and they highly appreciated this activity.
