# CURRICULUM

Adhering to our philosophy of 'Right from the start', we help equip children to take on the rigors of the schooling years ahead of them, while acclimatizing them gently to the process. Our curriculum is remarkable because it has neither alienated the understanding of Indian values and social structure nor does it blindly follow the American/Montessori method of preschool education. We have created a teaching programme that retains Indian culture in its core but is adapted and instructed in such a manner that it is at par with most international pre-school education formats.

**We ensure development of all the 6 important skills necessary for children :**

- Language Development
- Physical Development
- Intellectual Development
- Emotional Development
- Social Development
- Spiritual Development

## APPROACH

Our approach has always been to create a situation where students become enthusiastic about understanding the subject matter themselves and consequently deeply integrate it into their way of thinking. You may term the approach as **Student Centered and Problem Solving Based**. Teaching is not restricted to class-rooms. The child is exposed to various activities such as :

- Free Play
- Parachut Play
- Traffic Park
- Art & Craft
- Drama Time
- Field Trips etc.
- Water Play
- Role Play
- Sand Play
- Gardening

These activities are full of fun & learning.

The child is given full freedom to explore the world around him.

We believe that every child is a **WINNER**.

The focus is not on perfection but at the process that the child is learning.

**EVERY CHILD DESERVES  
THE BEST START**

# FACILITIES

- Digital Class-rooms
- Music Room
- Students Creativity Corner/Hobby Centre
- Computer Lab with Internet Facility
- State-of-the-Art and well equipped Science and Maths Laboratories
- Well Stocked Library
- First Aid Centre
- Counselling Facility  
(For Students & Parents)

- Large Sports Complex with facility for various sports activities like :  
Cricket, Hockey, Basketball, Skating etc.
- Facility for indoor sports like :  
Badminton, Table Tennis, Chess etc
- Transport Facility
- Canteen Facility

## Academic Key Features (X & XII)

- Regular Classes
- Revision Classes
- Periodic Tests
- Class Test on Each Chapter
- Terms Exams
- Pre-Board Exams (50% Syllabus)
- Pre-Board Exams (100% Syllabus)
- Regular Practicals
- Sports
- Tours
- Cultural Programmes
- Annual Gathering

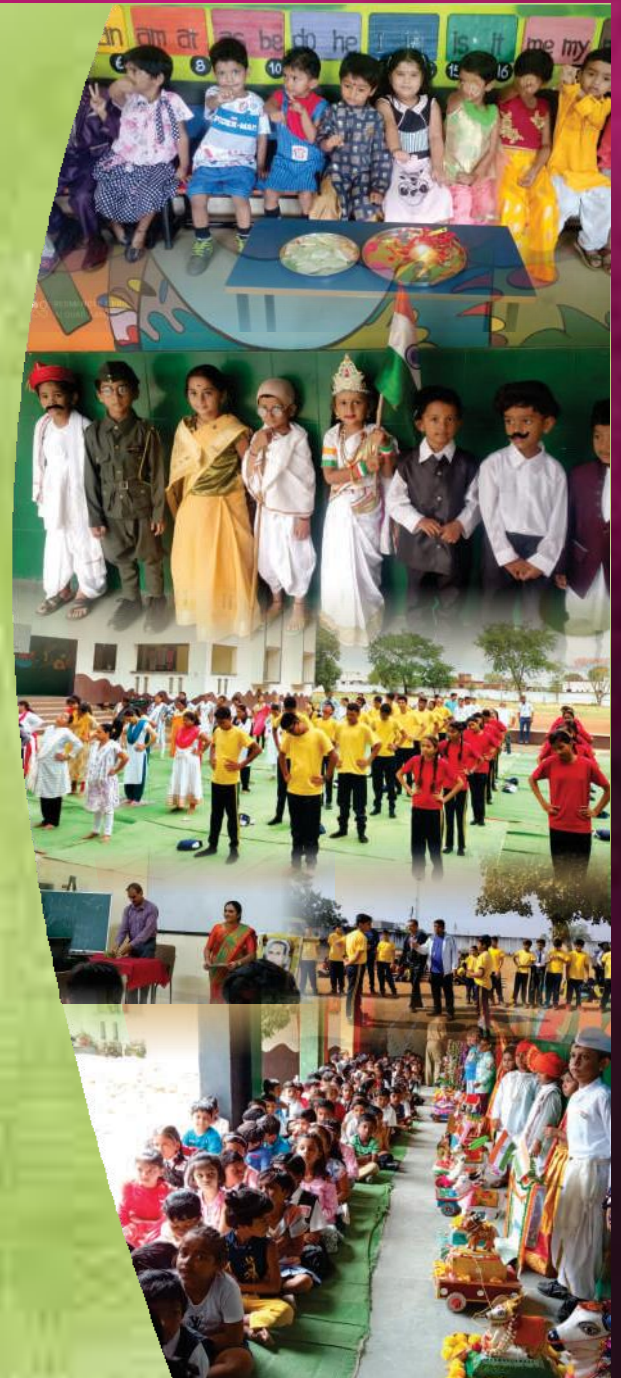

## FACULTY

We believe that to ensure that every child meets the development objectives laid down as part of the curriculum, the teachers play a very important role in imparting the right kind of training/direction and ensuring proper child assessment & evaluation.

For this we make a sincere effort in ensuring that the quality of our school education is upheld through enrolling the best and most experienced Educators.
